Parking at the centre is **limited to 3 hours with no return within 2 hours**. Note that sessions run longer than this so competitors and spectators are encouraged to park in the multi-storey car park (SL1 4RA). Parking may be pre-booked via JustPark: see

## Changing village

The leisure centre has a mixed gender changing village.

Only swimmers and persons with a poolside pass are permitted to access the changing village. Under no circumstances are parents permitted to access the changing village. Contact your Team Manager or coach if you need to contact your swimmer after they enter the changing village.

**Any use of a mobile phone, tablet, camera or camera-enabled device is prohibited in the changing village**, regardless of whether the device is being used for purposes other than taking photographs/video. Swimmers are requested to keep phones in their bags at all times. **Any swimmer who is seen using a phone or camera in the changing village will be immediately ejected from the meet.** This includes a phone or camera being carried in the hand, irrespective of whether it is being used.

**Parents please note that this means your swimmer will not be able to answer calls or texts while in the changing village.**

## Marshalling

Swimmers will be marshalled in the sports hall during the meet. Courts 1 and 2 will be available for club use. Designated club areas will be posted at the entrance to the sports hall.

For the safety of other centre users, swimmers are requested to ensure they are suitably dry and not to track water outside the changing village when moving between the changing village and the sports hall.

## Volunteers

We welcome volunteers from visiting clubs to help us run the meet. Volunteer roles do not require any prior training and will be fully explained before the meet. Roles include swimmer marshalling, sign-in/medal table, spectator entry, and for those with technical training, AOE officiating.

If you can help, please contact [openmeets@chalfontotters.org.uk](mailto:openmeets@chalfontotters.org.uk) with details of the session(s) you are attending and the role you are interested in.

When you arrive, please report to the welcome desk near the spectator poolside entrance, and the volunteers' coordinator will show you where you will be based and what the role requires you to do.

## Officials

Officials are requested to sign up for officiating session(s) via <https://swim-meet.com/Availability/?m=8448>. Subject to having sufficient number of officials, we will be able to provide mentoring during the meet.

## Poolside passes

Club packs with poolside passes will be available from the welcome desk upon arrival. All coaches/TMs must have their poolside pass visible at all times whilst poolside. Passes may be shared between coaches/TMs but the maximum number of coaches/TMs poolside must not exceed the number of poolside passes purchased. Coaches/TMs handing over to other coaches/TMs between

sessions must make their own arrangements to hand over poolside passes. Replacement passes will **not** be available and new passes will be charged at £20.

### **Spectator entry**

Entry for spectators is £7 per session or £12 per day. Card/contactless and cash payments will be available. Entry is free for children 12 and under. Wristbands will be provided as proof of payment. Anyone without a wristband will be asked to leave the gallery.

Spectator seating is available but entry to the spectator gallery does not guarantee a seat, and you may find it necessary to stand. Our volunteers will do their best to assist you in finding a seat if you require one, and spectators are asked not to 'reserve' seats and leave them unused for part of the day. Any unattended belongings may be removed.

The spectator gallery has priority areas for wheelchair access. The walkway must be kept clear to maintain escape routes in case of emergency.

Access at the far end of the spectator gallery next to the start/finish end of the pool is restricted to authorised personnel only.

### **Meet results**

Meet results will be published on Meet Mobile during the meet (network-permitting). Official results will be uploaded to [chalfontotters.org.uk](http://chalfontotters.org.uk) and to Swim England rankings after the meet.

### **Refreshments**

A snack shop will be available during the meet and Farnham Road has a number of a number of cafés and shops.
